

Good Faith and Integrity Policy of AIDC

AIDC is committed to maintaining high standard of ethics, integrity and goodwill within its organization or any affiliate under its control. AIDC will also fulfill its corporate social responsibility and actively promote the following three things:

1. The members of the Board and Management of AIDC will not engage in bribery.
2. AIDC Code of Business Conduct, including integrity, transparency, avoiding conflicts of interest, etc. must be the guidelines for business activities.
3. Anyone involving bribery will be strictly punished according to the law or AIDC's regulations.
